

A wise man once said, "The worship most acceptable to God comes from a thankful and cheerful heart." Let this time of worship be spent in gratitude for God's abundant goodness toward us all. And with cheerful hearts, let us praise the Lord and greet one another. Welcome, friends!

Catholic Campaign for Human Development

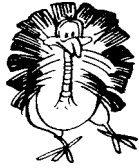

Poverty in America continues to rise. As the body of Christ, we are bound together, and we share the grief of those who live in poverty. But we can share the joy that comes from joining in solidarity to break the cycle of poverty. The Catholic Campaign for Human Development supports self-help projects of poor and low-income people working together to improve their lives and their communities. Please give generously to CCHD in today's second collection.

Feed the Hungry

As we approach our season of Thanksgiving, let us not forget the hungry in our midst. Please place your donation of non-perishable foods such as canned meats, pasta, pasta sauce, pancake mix, syrup, peanut butter and jelly, etc. in the food baskets so marked near the church entrances or in the display presented in the middle of the sanctuary.

Our parish helps stock the food pantry of St. Vincent dePaul. They recently asked if we had food for them and we had to tell them we ran out, having fed some families in our own parish and also San Isidro Food Pantry. The need, particularly now, is so very great. Please consider helping. May God continue to bless you because you care for those in need.

Amy, as per your instruction, I am asking you to help me put Annual Christmas Celebration and its text (in column 2 at the top) into this Christmas border. Please call and explain, so I may use another border in the future.thank you,
