

Imagine the peace of God touching us in such a way that we can always and in all ways live in peace with others. With warm hands and joyous hearts let us reach out in peace to our fellow worshippers.

Greetings and peace to all!

The Motivation For The Gifts We Share

Stewardship is a journey. Along the way we experience many things that remind us of the good things God has given us. A Christian Steward tries to comprehend the magnitude of this and shares gifts in proportion to his means. He or she realizes that giving is even more satisfying to them than it is to the recipient, because they need to give to feel fulfilled.

Things To Ponder.....

We secure our friends, not by accepting favors, but by doing them.

Good friends are hard to find, harder to leave, and impossible to forget.

Nobody is perfect, that is, until you fall in love with them.
