

HE LEASED HIS
VINEYARD TO
THE FARMERS.

As we gather for worship on this World Communion Sunday, let us join our brothers and sisters around the world who are also receiving the sacrament. Let us show our oneness in Christ by welcoming one another with love and joy.

Tithing is a gift of Love

It is important to remember that tithing is an attitude of giving. The amount you give or how it compares to the gifts of others doesn't really matter. What matters is that when you give, you give of yourself, all your loving concern, your affirmation of devotion to God, your good will to humankind, and your service to Christ. When you give with this spirit, then you are giving the fullest capacity of your spiritual, physical and mental resources.

A true gift is a portion of your self. When you give in this manner, you become an instrument of God. It is the gift of love.

From A Dream To A Reality

The men's bathroom is nearing completion. This wonderful facility should be available by October.

Our thanks to all of you who faithfully deposited your change and dollars into our collection bowl at the door of our church.

A special thanks to Joe Scerbo who took on the job as Project Manager. Because of his expertise and willingness to give of his time and talent, this dream is coming true. So men ... we salute you.
