

On this beautiful October Sunday, let us cheerfully greet one another in the name of Christ Our Lord. Welcome to each one of you!

What it means to be a Christian.....

- Christians are slow to lose patience, but quick to be gracious.
- Christians look for ways to be constructive, even when provoked.
- Christians refrain from trying to impress others with their own importance.
- Christians practice good manners.
- Christians are not "touchy," even when insulted.
- Christians think the best, not the worst, of others.
- Christians do not gloat over the wickedness of other people.
- Christians are pleased to reach out a hand to someone in need.
- Above all else, Christians exhibit the love of Christ in their hearts and in their lives.

America Will Not Reject Abortion Until America Sees Abortion

From the inception of his pro-life work, Fr. Frank Pavone has been urging the mass media to show the American people what an abortion is. Abortion is a reality which is so horrific that words alone can never convey its meaning.

To learn the real horrors of abortion first hand go to our informative web site for answers to many questions you have about your Catholic faith.

THINK ABOUT IT....

“The smile on your face is the light in the window that tells people you are at home.”

“Count your night by stars, not shadows; count your life with smiles, not tears.”

“Going to church doesn’t make you a Christian any more than standing in a garage makes you a car.”

“If you want the rainbow, you’ve got to put up with the rain

“Humor is a rubber sword – it allows you to make a point without drawing blood.”

“Don’t judge each day by the harvest you reap, but by the seeds you plant.”

Robert Louis Stevenson
