### GARDEN NEWS

Phase IV is closed --. Hopefully we should get delivery of Phase IV engraved bricks by mid to end of January. Phase V is open for the ordering of bricks. I encourage you to think of that special someone, anniversary birth, death, etc. and consider ordering now so that Phase V will have the necessary number of ordered bricks to go to print as soon as possible.

We are looking to Easter for delivery of Phase V. That will only be possible if we have enough brick orders to submit.
