Remember this.....

God won't ask what kind of car you drove, but He'll ask how many people you drove who didn't have transportation.

God won't ask the square footage of your house, but He'll ask how many people you welcomed into your home.

God won't ask about the clothes you had in your closet, but He'll ask how many you helped to clothe.

God won't ask what your highest salary was, but He'll ask if you compromised your character to obtain it.

God won't ask what your job title was, but He'll ask if you performed your job to the best of your ability.

God won't ask how many friends you had, but He'll ask how many people to whom you were a friend.

God won't ask about the color of your skin, but He'll ask how you treated your neighbors.

“Work is a good thing for man. A good thing for his humanity, because through work man not only transforms nature, adapting it to his own needs, but he also achieves fulfillment as a human being and indeed, in a sense, becomes more of a human being.”
