BRICK GARDEN WEEK-END

In an effort to experience the true feeling of the Garden, we ask that you join us in the Garden after each Mass this weekend-end. Light refreshments will be served.

Sit for a while, commune with your loved ones, feel the goodness of God and enjoy the wonder of nature that only He along with His Mother can provide. The Garden is our gift from and to God.

I hope by now you have compiled a list of names; family and friends, that you would like to see remembered in the Garden. Keep in mind, the Garden is for all people and occasions.

There will be volunteers at the South Door of the Church to take care of your orders. Also the ushers will pass out order forms. Please take the time to look over the form, fill it out and return it to a volunteer or usher. Or, you may choose to take a form and return it in the addressed envelope provided.

For me the last two years, watching the Garden grow and having the contact with so many of our friends and parishioners has been my greatest gift from God. I am grateful to all of those who have participated in the Garden and I look forward to meeting all of those who will be participating in Phase V.... With humility and appreciation,

Barbara C. Scerbo, Garden Chairman

This Week On The St. Pius X Web A God Given Gift of Life

Gianna is a Christian. Her life was given to her by the grace of god. She shouldn't be walking, but more miraculous still; she should not even be alive. Gianna's biological mother was 17 when she had a saline abortion. She was in her third trimester. You can have an abortion somewhere in American all nine months. Many Americans don't realize this. After being burned alive after approximately 18 hours in the womb, Gianna was delivered alive in a Los Angeles county abortion clinic. Her medical records state "born during saline abortion"...this is what caused her Cerebral Palsy... Read more about Gianna's life on our web site: <http://www.saintpiusthetenth.org>.
