ON THE LIGHTER SIDE.....

A little nine-year old girl was in church with her mother when she started feeling ill. "Mommy," she said. "Can we leave now?"

"No," her mother replied.

"Well, I think I have to throw up!"

"Then go out the front door and around to the back of the church and throw up behind a bush." In about two minutes the little girl returned to her seat.

"Did you throw up?" her mother asked.

"Yes," the little girl replied.

"Well, how could you have gone all the way to the back of the church and return so quickly?"

"I didn't have to go out of the church, Mommy," the little girl replied. "They have a box next to the front door that says, 'For the sick'."

Fatima Devotions

St. Dominic had much to do with the Rosary and it has become the favorite form of devotion to the Blessed Virgin. There are so many indulgences attached to the Rosary that they can hardly be enumerated. To gain them, we must meditate on the twenty mysteries, at least five at a time. If our lives are supposed to be brought into conformity with the life of Christ – and the mysteries of the Rosary give us the outstanding events of His life – it should follow that they will also be the milestones in our own.

Won't you join us for the recitation of the Rosary on Saturday, September 1, at 8:40AM, in the Chapel?
