GARDEN NEWS

The good news is that I finally have enough bricks to place an order and close Phase VI. I extend my heartfelt thanks to those who stepped up to the plate and either called or sent in a brick order. I know this Phase has been long and I appreciate your patience and understanding. After I place the order, which will be this week, there is an eight to ten week delivery period.

The bad news is that the Garden will not grow without bricks. We all have a friend or loved one who would appreciate your kindness by placing a brick in the garden in their honor. Birthdays, anniversaries, special events occur daily. Why not give a lasting tribute?

Your thoughtfulness will be lasting and our Garden will **grow and glow** and be a constant reminder to all. For those of you who have purchased multiple bricks, I will continue to keep them together if you make that request. Please put a notation on the form.

Lastly, my appreciation goes out to all. The many phone calls, personal hand shakes and positive comments make the Garden very special to me. I pray for speedy Phase VII. With your help we can do it. Keep the orders coming!!

In Appreciation.
