

## ABCD 2008

### ARCHBISHOP'S CHARITIES AND DEVELOPMENT

**Next Sunday** is Appeal Sunday in support of the ABCD Appeal. This is the one time of the year when we are called on to unite as Catholics of the Archdiocese of Miami to support Catholic ministries which serve the poor, educate our children in faith, and comfort the afflicted throughout our local area.

The ABCD is the financial lifeblood of the Archdiocese. It plays the same role at the Archdiocesan level that the Sunday collection plays at the parish level. Like a checking account, the ABCD helps the Archdiocese to operate, pay its bills, and keep our numerous programs that serve so many thousands of people.

Please take the time to consider giving a sacrificial gift in support of the works of faith, education, and charity. We encourage you to make your pledge and support the Appeal as generously as you can. We hope you will consider pledging throughout the year, if at all possible.

Pledge envelopes will be passed out at Mass next weekend.

**"Give to the Most High as He has given to you,  
generously according to your means."**

**Sirach 35: 7-10**

## ...50<sup>TH</sup> ANNIVERSARY...

### The History of the Archdiocese of Miami 1958-2008

Please take a book from the display table.

This book is a written and pictorial history of the foundation, growth and development of the Catholic Church in Miami-Dade, Broward and Monroe Counties. Also, it is a wonderful resource to learn of the grace-filled history of the Archdiocese of Miami.

A donation of \$25.00 will help to defray the cost of the books. Your remittance may be returned in the provided envelope.

## Congratulations

## GARDEN NEWS

Dear Parishioners and Friends,

As promised, below is a Garden update.

To my disappointment I still need 10 more orders to be able to have Phase VI printed.

I thank all of you who have so far responded. Your understanding and patience is appreciated but I am confused as to why the garden is not filled by now. One has only to make a visit and see what a wonderful remembrance this area is, to not only our deceased and living family and friends but what a beautiful asset it is to St. Pius X.

The future of the Garden is in question. If it is to grow, as I have said before, we need brick orders. How many gifts do we buy in the course of a year? Have you thought about a brick order? Surely you know someone who is having a birthday or Anniversary. You don't have to worry about size or color. I can do that for you. Please open your heart and pocketbook. Pick up a form at the doors of the Church and help me get Phase VI to the printer.

In appreciation,

**Barbara C. Scerbo**, Garden Chairman,
